

Wipeout

stain protection

Wipeout label means you've selected a worry-free woven fabric.

Wipeout is a powerful finish that offers supreme protection that's tested to stand up in the most high traffic areas.

Important features of fabrics with the Wipeout finish:

- **water repellent**
- **enhanced abrasion performance**
- **antimicrobial & antibacterial**
 - **extended light fastness**
- **superb washing durability**
 - **stain resistant**

To clean fabrics treated with Wipeout finish simply blot the soiled area with a dry cloth. For especially stubborn spills use mild soap & warm water.
