

Lazar fabrics with the Crypton Home Fabric label means you've selected a beautiful fabric with high performance.

These fabrics have performance technology built into every fiber, so it won't ever wear away. Spills bead up, stains are easy to clean and odors don't cling. Crypton Home fabrics also offer enhanced abrasion resistance.

Spot cleaning works for most light to medium spills. Blot up liquids, brush off dirt first. Mist with solution of water & mild enzyme detergent. Work solution into area from outside in with clean brush or sponge. Rinse thoroughly to remove all soap, blotting excess moisture, repeat steps as needed. For more complete cleaning information, refer to the Crypton.com website.
